

2025 Christmas Fundraiser

Welcome to the Apaulo Holiday Fundraising Program

Apaulo Fundraising continues to be committed to providing quality natural products. We wish to provide a culture of inclusion, equality, and diversity for your fundraising success.

In keeping with our all-natural theme, a 7-inch 100% pure Canadian beeswax Christmas tree has been added to the product line (2023)

Refer to this change on the Holiday Fundraiser customer order form attached as well as a beeswax information page.

Please also refer to “important dates” attached and let us know by Friday October 3rd , if you will be participating in this year’s Holiday Fundraiser.

Looking forward to working with you.

If you require further service, please contact us:
